How to read this guide

The Funding and Financial Supports Guide was created by Family Support Specialists at Holland Bloorview Kids Rehabilitation Hospital. This reference guide is meant to make funding information as accessible as possible to families. It is updated once or twice per year or as needed.

The information in this guide is organized as follows:

Agency or Funding Source Name and a symbol (□, △, ☆, ❖, ○) <i>*Please see below for more information on what they mean</i>	
<u>Description</u>	<u>Eligibility</u>
<ul style="list-style-type: none"> This explains what the funding or financial assistance program is about 	<ul style="list-style-type: none"> This explains if your family is able or not able to apply
<u>More Information</u>	
<ul style="list-style-type: none"> Website Phone Email 	

The symbol beside the name of the funding source helps you to sort through eligibility, based on age. Here is a table to show you what the symbols mean:

Symbol*	Meaning
□	This funding source is meant to support children between the ages of 0-12
△	This funding source is meant to support teens between the ages of 13-17
☆	This funding source is meant to support adults 18 years of age and older
❖	This funding source supports people of many/all ages
∞	This funding source supports caregivers (parents, siblings, grandparents, etc.)

You will see also the symbols in the table of contents so that you can pick out which sources are most relevant for your family.

Please note that some of the resources listed in this guide appear in more than one section because they fund a broader range of programs and services.

Thank you for reading, and we hope this is helpful to you!

National Organization for Vehicle Accessibility (NOVA) ☆∞

Description

- The National Organization for Vehicle Accessibility works to provide vehicle modification grants to individuals with disabilities throughout the United States and Canada in need of financial assistance.
- This program is directed to individuals with disabilities who have secured the majority of the money needed to fund vehicle modification products and just need some additional help to reach their goal.
- Our mobility assistance grant program is designed to bridge the funding gap that prevents people in need of mobility products from achieving their mobility goals.

Eligibility

- Mobility equipment considered for this grant program must be essential mobility transportation equipment. This includes conversions for accessible vans, wheelchair lifts, scooter or truck lifts, car-top carriers, etc. Wheelchairs, scooters and home modifications are **not** eligible for this program. We are unable to provide assistance toward repair of existing equipment. Only the purchase of equipment that is deemed needed and necessary to meet the needs of the applicant will be considered for grant assistance.
- Mobility equipment must be purchased from a retail dealer in the customer's geographical service area who is certified by the National Mobility Equipment Dealers Association. The manufacturer of the mobility product must also be certified by NMEDA. All NMEDA principles and guidelines are applicable. These dealers can be located at www.nmeda.com/locate-a-dealer/. Equipment must be essential mobility transportation equipment identified as a result of an evaluation and appropriate to a significant and lasting disability.

Canadian Tire Jumpstart □△

Description

- Physical activity is the key to what we fund. The list is long (more than 70 activities!) and every kid can find something they would like to do for the love of play. A variety of sports, dancing, swimming, martial arts and community programs are on the list. Even Girl Guides and YMCA memberships can be funded by Jumpstart.
- Funding is up to \$500/per child, subject to Jumpstart's other funding maximums and/or local demands. For a list of what is funded:
<http://jumpstart.canadiantire.ca/en/what-we-do/what-we-fund>

Eligibility

- Kids aged 4 to 18 from families in financial need can receive funding to help with registration fees, equipment and/or transportation.
- Families must meet financial need criteria in order to qualify for Jumpstart funding. Jumpstart recommends following Revenue Canada's Low Income Cut-offs (LICOs) which are based on a family's size, the size of their community and the total family unit income (before tax).
