

Post-secondary education & career webinar series

Headed to college or university? Are you a student with a disability preparing for your post-secondary education and career?

Join us for our Fall 2023 free webinar series

Webinars include a mix of information (presentation style) and opportunities to ask questions. We engage Youth Mentors to share their lived experiences.

We designed these sessions for students and welcome families/parents to participate.

To register & questions

You must register in advance of these free webinars [REGISTER HERE](#)

You are eligible to register if you are:

- Living with a disability and/or autism spectrum disorder
- In high-school (grades 10, 11, 12 or 12+) and working towards your OSSD
- Living in Ontario
