

HOLLAND BLOORVIEW AQUATIC CENTRE

Parent & Tot Schedule – Summer, 2010

This program provides an opportunity for parent(s) or guardian(s) and *one* child under the age of 6 to explore the world of water together. This program is *not* instructed but is run during our Swim School program. In an effort to reduce distraction to children participating in lessons, each adult may accompany only one child. Please be aware of lessons going on around you, and do your best to avoid the classes in progress.

You are free to attend during any of the times listed below (only) - it does not have to be the same time each week. You may attend as many times in one week as you wish. Visits not used before the end of this session may be used next session (for up to one year), based on the P & T schedule for that session (which may differ from this schedule). **You can register (and pay) for the program on the day you begin – you don't have to do this in advance.** We ask that children who are not toilet trained wear 'Gabby's' or 'Kooshies' or 'Little Swimmers' (or a similar product) under a bathing suit. **Please no disposable diapers in the pool.**
