### **Spring 2010 Swim School Registration Process & Information**

For ALL swimmers who are currently registered in our Winter session  
(children who do and do not have a disability register using the same process)

#### **PLEASE READ CAREFULLY**

Because you are currently registered in our Winter program, *we* will enter your name into our lottery for Spring lessons. Once all names have been entered into our random selection process, the order in which you will register for our Spring session will be determined. ***Assigned lottery numbers will be posted on the pool deck after February 15<sup>th</sup>.*** Due to privacy issues, ***lottery numbers will NOT be posted on our website.*** Please be sure you make note of your lottery number and the date and time you are to register. Only one child's name will appear on the lottery list even if you are registering more than one child (because you can register more than one immediate family member with one number). If you miss your classes prior to registration, please be sure to call the pool office (425-6220, ext. 3063) to get your lottery number. We are inundated with calls at this time of year, and would ask that you NOT call us for your lottery number if you will be attending swim classes. A reminder that, as always, numbers drawn for one family cannot be 'donated' to another family.

Please familiarize yourself with the process as outlined below:

#### **For our swimmers who have a disability & their siblings (RED group):**

We will automatically enter your family name into our RED lottery. Your registration date is noted below. You must come to the Centre on that date to register in person. The exact time you register will be based on the number you are assigned. The time you are to register will be noted beside your lottery number.

#### **For our swimmers who DO NOT have a disability (YELLOW group):**

We will automatically enter your family name into our YELLOW lottery. Your registration date is noted below. You must come to Bloorview on that date to register in person. The exact time you register will be based on the number you are assigned. The time you are to register will be noted beside your lottery number.

**Registration Dates** (the exact time you register will be based on the number you are assigned. The time you are to register will be noted beside your lottery number):

**Wednesday, March 3<sup>rd</sup>** (6:00-9:00 p.m.) - to register swimmers who have a disability & siblings  
(RED group)

**Saturday, March 6<sup>th</sup>** (10:00-5:00 p.m.) - to register swimmers who *do not* have a disability  
(YELLOW group)

We recognize that this isn't convenient for those with specific availabilities, but this is the only system that works for us, give our very unique registration process.
