

Holland Bloorview

Kids Rehabilitation Hospital

What if I'm unable to attend the in-person registration?

If you aren't able to come to our in-person registration day, you have 2 options:

Option #1

You are welcome to send anyone else to register on your behalf with your lottery number (only one family can register per lottery number and lottery numbers can't be 'donated' from one family to another). It only takes 10-20 minutes. Please send that person with the following information:

- Your child/ren(s) name(s), age(s) and swimming level(s)
- Your home, work/cell and emergency contact name and numbers
- your address
- the number you'd like us to call in the event of a last-minute pool closure
- your first, second, third, fourth, fifth . . . choices for lesson day and time
- if you're registering more than one child, an indication of whether, as a last resort, you'd be willing to have your children swim in back-to-back lessons or on different days

Option #2

You can call our Swim School Registration Line (416-425-6220 ext. 3063) on or after 8:00 a.m. on Wednesday, September 8th to have your name put on our Waiting List. Please follow the voicemail directions and be sure to indicate that you had a lottery number. We will be working our way through the waiting list between September 17th and 24th and we'll call you if there is a space available that matches what you're looking for. If there isn't a space available, *we won't call you back*, but we will keep your name on our waiting list in case anything changes. Please note that changes may occur after the session has started and we will call you if that happens (the session would be pro-rated at that point).

**Thank you very much for your interest in registering with us.
We hope to see you at the pool this fall!**
