

Adapted Recreation Equipment

Loan Service

Holland Bloorview offers adapted recreation equipment for clients and families to borrow for up to two weeks free of charge. This service promotes healthy and active participation for individuals with a disability. By using an adapted recreation equipment kids, youth and young adults can increase their independence and enjoy meaningful participation in activities at home, school and in the community. In addition, the service provides families with the opportunity to try equipment before deciding to purchase.

The following equipment is available:
