About Holland Bloorview Kids Rehabilitation Hospital

Holland Bloorview Kids Rehabilitation Hospital is Canada's largest rehabilitation hospital for children.

Our vision is to create a world of possibility for kids with disability.

We pioneer treatments, technologies, therapies and real-world programs that give children with disabilities the tools to participate fully in life.

Holland Bloorview serves about 7,000 children each year, with about 600 inpatient admissions and 52,000 outpatient visits. Holland Bloorview is a world-class teaching hospital fully affiliated with the University of Toronto. We train future health-care specialists in the field of childhood disability.

The Bloorview Research Institute is located onsite, allowing us to integrate cutting-edge research and teaching with frontline care to improve children's quality of life.
