# Create an Infographic to help advocate for your Child

At this workshop, you will work with Holland Bloorview staff and Family Leaders to create an infographic, using pictures and key messages to share important information.This can include information about your child's strengths and areas of need, likes and dislikes, and other important information that will help teachers, care providers, family members and others know how best to care for your child.

**Facilitators**: Evidence to Care Team, Client and Family Integrated Care Team and Family Leaders

### At this workshop we will:

- Create an infographic using an online design program which you can use to share key information and advocate for your child's needs
- Attendees should be comfortable using a computer and plan to bring their own laptop. If you can't bring a laptop, please email Jean Hammond at jhammond@hollandbloorview.ca
