4.1 Strategic Planning Task Force Terms of Reference
The Terms of Reference for the Strategic Plan Task Force for Holland Bloorview for renewing the Hospital’s Strategic Plan were tabled for approval, as a first step in the planning process for the Board of Trustees. The Governance Committee would be meeting to discuss membership for the Task Force and resources required to develop the Plan. The Committee would report back to the Board in the fall 2011. The objective is to complete the renewal process and bring a new Strategic Plan to the Board for approval in the spring of 2012. The Committee recommends that Carolyn Everson be asked to lead the Strategic Plan Task Force.

Questions followed, and it was agreed that the Hospital would conduct an environmental scan and seek information from other TAHSN hospitals, who had recently updated their strategic plans, as to external resources they had used.

There being no further discussion, the Chair called for a Motion to approve the Terms of Reference.

4.5 Hospitals in the News
The President apprised the Board on recent news articles concerning hospital partnerships and mergers between acute care facilities and rehabilitation care facilities, and explained that the trend to new alliances was in part a response to the need to move patients through the healthcare system to appropriate levels of care, at the right time, and to address impending issues of sustainability, given the deficit situation in Ontario.
